Profile

A hardworking and motivated individual, I am a frontend developer with 1 year of experience. I have developed skills in various programming languages and frameworks, including Javascript, HTML, CSS, Bootstrap, React, Ajax, and JQuery. I am also passionate about gymming and working out, and reading.

Career Objective

Looking to join the workforce to gain real-world experience. Ability to complete tasks on time in both individual and team settings. Dependable and reliable, ready to learn and grow with your company.
